Joey F. George

Distinguished Professor in Business
The John D. DeVries Endowed Chair in Business
Ivy College of Business
Iowa State University
Ames, Iowa 50011-1350

EDUCATION

A.B.   Stanford University, Stanford, California, 1979
       English language and literature.

M.Ed. Converse College, Spartanburg, South Carolina, 1980
       Emphasis on English language and literature.

Ph.D. University of California, Irvine, California, 1986.
       Thesis title: Computers and the centralization of decision-making in U.S. city governments.

RELEVANT EXPERIENCE

Professor of Information Systems & John D. DeVries Endowed Chair in Business, Ivy College of Business, Iowa State University, August 2011 –

Iowa State University Distinguished Professor in Business, April 2019 –

Interim Academic Administrator, Ivy College of Business NeuroLab, Iowa State University, Sept 2015 -

Director, Ph.D. Program, Ivy College of Business, Iowa State University, Sept 2013 – Nov 2021

Associate Dean for Research, Ivy College of Business, Iowa State University, Jan 2019 – June 2021

Visiting Researcher, University of Queensland, Brisbane, QLD, Australia, Feb – May 2016

Professor and Thomas L. Williams Jr. Eminent Scholar in Management Information Systems, College of Business, Florida State University, August 1999 – August 2011.

University of Canterbury Visiting Erskine Fellowship, Christchurch, New Zealand, May-June, 2008 & July-August 2012.

Visiting Professor, Helsinki School of Economics and Business Administration, International MBA Program, Mikkeli, Finland, July 1999.

Associate Professor and Edward G. Schlieder Chair in Information Systems, E.J. Ourso College of Business Administration, Louisiana State University, August 1998-August 1999.

Sprint Professor of Business Administration, College of Business, Florida State University, May 1997-August 1998.

Associate Professor, IMS Dept., College of Business, Florida State University, Aug. 1993-Aug. 1998.

Chair, IMS Department, College of Business, Florida State University, Dec. 1995 – Aug.1998.

Assistant Professor, Department of MIS, College of Business and Public Administration, University of Arizona, August 1986-August 1993.

Research Assistant, URBIS Project, Public Policy Research Organization, University of California, Irvine, Jan. 1984-March 1986.

Teaching Assistant, Department of Information and Computer Science, Graduate School of Management, University of California, Irvine, Sept. 1981-Dec. 1983.

Secondary English Teacher, Spartanburg Day School, Spartanburg, South Carolina, 1979-1981.

HONORS

Winner of 2021 Association for Information Systems Vision Award

Winner of Ivy College of Business Research Impact Award, 2020

Selected as Iowa State University Distinguished Professor in Business, 2019

Winner of 2018 Ivy College of Business Tenure-Eligible/Tenured Faculty Outstanding Achievement in Research Award

Named Senior Member of the Association for Computing Machinery (ACM), 2017

Iowa State University 2017 Exemplary Faculty Mentor Award

Received the Albert Nelson Marquis Lifetime Achievement Award from the Marquis Who's Who Publications Board, 2017

Received the AIS LEO Award for Lifetime Exceptional Achievement in Information Systems in 2014

Selected as a Fellow of the Association for Information Systems (AIS), 2008

Named to 58th (2004), 59th (2005), 60th (2006), 63rd (2009), 69th (2015) and 70th (2016) editions of *Marquis's Who's Who in America*

Named to 8th (2005-06) and 10th (2007-08) editions of *Marquis's Who's Who in Science & Engineering*

Named to 7th (2006) and 8th (2007-08) editions of *Marquis's Who's Who in American Education*

Named as a "Circle of Compadres" Honoree for the Ph.D. Project Information Systems Doctoral Student Association, 2002

Voted IMS Department Best Instructor, Spring 2000, by the Florida State University MIS Association

Florida State University Teaching Incentive Program Award, 1996-97

Named to 1996 *Who's Who Among America's Teachers* (nominated by student Leslie Jacobson)

Florida State University Teaching Award, 1995-96

Voted MIS Professor of the Year, 1993-94, by the Florida State University MIS Association

Named an outstanding referee for <u>Management Science</u> for 1993

Milton Phillips Dissertation Fellowship, University of California at Irvine, 1986

Baker International Foundation Scholarship, University of California at Irvine, 1985

BEST PAPER AWARDS

Best paper nominee, Internet and the Digital Economy track, 53rd Annual Hawaii International Conference on System Sciences, 2020

Winner of the Outstanding Paper Award for 2019 for the <u>Journal of Systems & Information Technology</u> ("The Amorphous Nature of Agile: No One Size Fits All," with K, Scheibe, A. Townsend & B. Mennecke.)

Second best paper, 2017 MWAIS conference ("Media Choice in Asynchronous Deception Detection," co-written with R.W. McHaney and M. Gupta)

Best paper, Organizational Systems and Technology track, 42nd Annual Hawaii International Conference on System Sciences, 2009 ("Making it Hard to Lie: Cultural Determinants of Media Choice for Deception," with C.P. Furner)

Best paper published in 2008 in the <u>International Journal of e-Collaboration</u> ("Distributed Deception: An Investigation of the Effectiveness of Deceptive Communication in a Computer-mediated Environment," with R. Boyle and C. Kacmar)

Emerald Literati Club 2005 Highly Commended Award for "The theory of planned behavior and Internet purchasing," published in <u>Internet Research</u>, 14(3), 2004.

Best paper nominee, Collaborative Technologies track, 37th Annual Hawaii International Conference on System Sciences, 2004

Best paper (one of three) in the Software Process Improvement Track, AMCIS 1999 Conference ("Measures of Software Process Maturity for Survey-Based Research," with J.P. Landry)

Second best paper (out of 50), Communication and Technology Division, International Communication Association Annual Meeting, 1994

Best paper, Organizational Systems and Technology track, 25th Annual Hawaii International Conference on System Sciences, 1992 ("ODSS and the Twilight of the Decision Support Movement: Social Segmentation and the Legacy of Infrastructure," with J.L. King & K. Ruhleder)

Best paper nominee, Organizational Systems and Technology track, 24th Annual Hawaii International Conference on System Sciences, 1991

SPECIAL INVITATIONS

Invited faculty mentor, Doctoral Consortium for Early Students, Americas Conference on Information Systems, August 15, 2019, Cancún, Mexico

Invited faculty mentor, Mid-Career Faculty Consortium, Americans Conference on Information Systems, August 16, 2018, New Orleans, LA

Invited external reviewer of proposed masters' degree program in Information Technology and Innovation (ITIN), College of IS&T, University of Nebraska at Omaha, August 2018

Invited faculty mentor, Junior Faculty Consortium, International Conference on Information Systems, December 13, 2015, Ft. Worth, TX

Invited participant, Association of Information Systems Senior Scholars Slam, International Conference on Information Systems, December 13, 2015, Ft. Worth, TX

Invited international dissertation external examiner:
> * 2018, Deakin University, Australia ("Developing a neural network model to monitor and predict waiting times in the emergency department," by Mohammad Rezazadeh Niavarani)
> * 2016, Deakin University, Australia ("The business value of IT in healthcare: An analysis," by Peter Haddad)
> * 2014, University of Queensland, Australia ("Technology and Not-for-Profit Workers: A longitudinal study, testing and extending the UTAUT model in the not-for-profit environment," by Geoffrey Greenfield)
> * 2011, University of Pretoria, South Africa ("Towards an ontology-driven software development approach: An unended quest," by Nehemiah Mavetera)

Invited faculty participant, PACIS doctoral consortia:
> * July 7-8, 2011, Brisbane, Australia (also invited keynote speech at the consortium on July 7)
> * July 8-9, 2010, Taipei, Taiwan

Invited faculty participant, AMCIS doctoral consortia:
> * August 12, 2015, San Juan, PR
> * August 6, 2009, San Francisco, CA
> * August 14, 2008, Toronto, Canada

Invited faculty participant, Ph.D. Project Information Systems Doctoral Student Association Conference:
> * 19th Annual meeting, August 5-7, 2014, Savannah, GA
> * 18th Annual meeting, August 14 & 15, 2013, Chicago, IL
> * 15th Annual meeting, August 11, 2010, Lima, Peru

* 13th Annual meeting, August 13, 2008, Toronto, Canada
* 12th Annual meeting, August 9, 2007, Keystone, CO
* 11th Annual meeting, August 2, 2006, Acapulco, Mexico
* 7th Annual meeting, August 7, 2002, Dallas, TX
* 4th Annual meeting, August 11-13, 1999, Milwaukee, WI

Asked to serve as external reviewer of the MIS Division of the Price College of Business at the University of Oklahoma, 2009

Asked by the Academic Review and Evaluation Committee of the Ministry of Education, Taiwan, to help select the winners of the National Academic and Academic Achievement Awards, 2008.

Invited keynote speaker and faculty participant, 2007 Management Summit, Management Research Program, National Science Council of Taiwan, National Taiwan University, Taipei, June 24-30, 2007.

Invited speaker in the University of South Alabama's School of Computer and Information Sciences 2006-2007 Distinguished Lecture Series, Mobile, Alabama, October 13, 2006.

Invited to serve on University of Queensland (Australia) Research Quality Assessment panel for assessing the research output of the UQ School of Business, Spring/Summer 2006.

Invited to participate in a workshop hosted by the University of California at Irvine and sponsored by the National Science Foundation on "Extending the Contributions of Professor Rob Kling to the Analysis of Computerization Movements," Irvine, CA, March 11-12, 2005.

Selected as member of Senior Scholars Consortia (SSC) at the International Conference on Information Systems for every year to date since it started, in 2004 at the 25th ICIS in Washington, DC (only 42 invited initially); Chaired the SSC (with John King) at the 28th ICIS, 2007, Montréal, Canada

Invited speaker, University of Arizona MIS Department 30th Anniversary Conference, November 2004.

Invited faculty participant, MIS Camp
        * AMCIS 2003 Conference, Tampa, FL, August 3, 2003
        * AMCIS 2002 Conference, Dallas, TX, August 8, 2002

Invited to give the keynote address for the 2002 International Conference on Informatics Education Research, Barcelona, Spain, December 14, 2002

Invited faculty participant, Microsoft Research Faculty Summit, July 22-24, 2001, Redmond, WA

Invited participant, Workshop on Informatization of Soviet and American Societies, Vilnius, Lithuanian SSR, USSR, April 28-29, 1989

Invited participant, Harvard Business School Colloquium on Experimental Research Methods in Information Systems, Vancouver, B.C., Canada, 1988

Invited participant, Seventh Annual Radical Workshop on Organization Design, sponsored by TIMS and NSF, Chapel Hill, North Carolina, 1987. Named one of eight "Emerging Scholars"

Invited participant, Irvine Workshop on Computerization and Worklife, UC Irvine, Irvine, CA, 1986

Invited student participant, Doctoral Consortium, 5th International Conference on Information Systems, Tucson, Arizona, 1984

GRANTS

Big 12 Faculty Fellowship, 2019-2020, $931 to fund research trip to Kansas State University.

Consultant, "Exploring the Mechanisms of E-commerce Platform Evolution and its Impact on Platform Performance: Based on the Perspective of Complex Adaptive System" Funded by the National Natural Science Foundation of China, Grant 71801104, 2019-2021, $35,065.

Co-Principal Investigator, Agility Project, funded by the ISU College of Business as a Principal Financial Faculty Professional Development Grant, $1250, 2015. Supplemented by $1500 in COB mini-grants.

Co-Principal Investigator, "Testing Prominence-Interpretation Theory with Eye-Tracking Technology." Funded by the ISU College of Business as a Bootstrap Research Grant, $3850, 2015

Co-Principal Investigator, "Workshop to Establish a Research Team to Investigate the Potential for Personal Health Records to Support and Promote Patient-Centered Outcomes." Funded by Iowa State University Health Research Initiative Program, $7980, 2012-13

Co-Principal Investigator, "Promoting Patient Centered Outcomes through Leveraging Personal Health Records." Funded by the ISU College of Business as a Bootstrap Research Grant, $3750, supplemented by $1420 in mini-grants; 2012-13

Consultant, "A Study on Creating Collaborative E-business Capability to Gain Business Value in a Multi-Firm Environment (2011-2013)." Funded by the National Natural Science Foundation of China, Grant 71072080, $41,500.

Co-Principal Investigator, "Detecting Deception in the Military Infosphere: Improving and Integrating Human Detection Capabilities with Automated Tools." Funded by the U.S. Department of Defense University Research Initiative, 5/1/01 through 10/31/06. Total awarded: $3.6 million. Awarded to FSU: $635,714.

Principal Investigator, "Computer-Mediated Communication and Deception." Research Planning Grant, funded by COFRS (Committee on Faculty Research Support), Florida State University, $2500, 1998.

Principal Investigator, "Reforming the MIS Core with Computer-Assisted Software Engineering Tools." Funded by the Florida Department of Transportation, $15,000, 1995-1998.

Principal Investigator, "Reforming the MIS Core with Computer-Assisted Software Engineering Tools." Instructional grant, funded by the College of Business, Florida State University, $7700, summer 1995.

Principal Investigator, "Investigating Deceptive Communication in Group Support Systems." Funded by COFRS (Committee on Faculty Research Support), Florida State University, $7916, summer 1994.

30. "Group DSS and their Implications for Designers and Managers: The Arizona Experience." Presented at the Eighth International Conference on Decision Support Systems, Boston, June 7, 1988.

Panels

1. Invited member of professional development panel, "Your first job is preparing for your next job – What things should I do in the next five years?," 53rd Annual Hawai'i International Conference on System Sciences, Maui, Hawai'i, January 8, 2020.

2. Invited member of panel, "Expectations: New Doc Student to Tenured Prof." 2018 Big XII+ MIS Research Symposium, Oklahoma State University, April 7, 2018.

3. Panel organizer, moderator & presenter, "Academic IS – I-School vs. B-School," DeVries Colloquium on Academic Information Systems, Ames, IA, November 17, 2017.

4. Invited member of panel, "Editors-in-Chief: Publishing in IS Journals," 2017 MWAIS conference, Springfield, IL, May 18, 2017.

5. Invited member of panel, "Building JMWAIS – Editorial Board Discussions," 2017 MWAIS conference, Springfield, IL, May 19, 2017.

6. Invited member of panel, "Negotiating the Job Search," 2017 Big XII+ MIS Research Symposium, University of Nebraska Omaha, April 8, 2017.

7. Panel organizer, moderator & presenter, "The Dark Internet: Without Darkness There is No Light," 22nd Americas Conference on Information Systems, San Diego, CA, August 12, 2016.

8. Invited member of panel, "Privacy, Technology and Surveillance in the Digital Age: The Big Brother scenario," organized by Dan Power, May 20, 2016, 11th Midwest Association for Information Systems Conference, Milwaukee, Wisconsin

9. Panel organizer & moderator, "Early Career Strategies," April 12, 2015, Big XII+ Research Symposium, Ames, IA

10. Panel moderator, "Privacy in the Age of Big Data: The Challenges and Opportunities for Privacy Research," 2014 International Conference on Information Systems, with Brian Mennecke, Heng Xu, Chuan-Hoo Tan, H. Jeff Smith, Malcolm Cromptoon, & Marie Shroff. Auckland, NZ, December 15, 2014.

11. Invited member of panel, "Publishing Successfully: Advice from Journal Editors," Nineteenth Annual Ph.D. Project Information Systems Doctoral Students Association Conference, Savannah, GA, August 6, 2014.

12. Invited member of panel, "Benefits and Challenges of Conducting Externally Funded MIS Research," April 5, 2014, Big XII+ Research Symposium, Norman, OK.

13. Moderator & member of panel, "MOOCs & Beyond," 2013 International Conference on Information Systems, with Niels Bjorn-Andersen, John King & Hock Hai Teo. Milan, Italy, December 17, 2013.

14. Invited member of panel, "The Tenure Process," Eighteenth Annual Ph.D. Project Information Systems Doctoral Students Association Conference, Chicago, IL, August 14, 2013.

15. Invited member of panel, "Emerging Research Topics in IS," April 7, 2013, Big XII+ Research Symposium, Stillwater, OK.

16. Invited member of panel, "Publishing Your Research Paper," June 2, 2011, International Conference on Information Systems and Technology Management (CONTECSI), Sao Paulo, Brazil.

17. Invited member of panel "Where Have You Gone, Joe DiMaggio," SIGED:IAIM Conference, December 12, 2010

18. Panel chair, "Debate on 'Memorandum on Design Oriented Information Systems Research,'" VII Conference of the Italian Chapter of the AIS, Naples, Italy, October 8, 2010.

19. Invited member of panel, "Meet the Editors: Is the IS Field Well-Served by its Mix of Journals?" 5th Mediterranean Conference on Information Systems, Tel Aviv, Israel, September 13, 2010.

20. "Faculty Exchanges as a Way to Increase Globalization in the IS Curriculum." Member of panel, chaired by A. Harris, presented at the 16th Americas Conference on Information Systems, Lima, Peru, August 13, 2010.

21. Invited member of panel, "How to Do Impactful Research," 2010 Pacific Asia Conference on Information Systems Doctoral Consortium, Taipei, Taiwan, July 9, 2010.

22. Invited member of panel "IS Studies Accreditation Problems and Challenges," 2010 European Conference on Information Systems, Pretoria, South Africa, June 8, 2010.

23. Invited member of journal editors' panel at the Midwest Association for Information Systems meeting, Moorhead, MN, May 22, 2010.

24. Invited member of "Meet the Editors" panel, VI Conference of the Italian Chapter of the AIS, Sardinia, Italy, October 3, 2009.

25. Invited moderator of the panel, "Nurturing Scholarly Excellence in APAC Region," Pacific Asia Conference on Information Systems, Hyderabad, India, July 12, 2009.

26. Invited member of journal editors' panel at Thirteenth Annual Ph.D. Project Information Systems Doctoral Students Association Conference, Toronto, Canada, August 13, 2008.

27. Panel organizer and chair, "What Makes CAIS Tick?," 2007 Americas Conference on Information Systems, Keystone, CO, August 11, 2007.

28. Invited member of a panel, "SSME Research and Curriculum Development," chaired by Stephen Kwan, 2007 Americas Conference on Information Systems, Keystone, CO, August 11, 2007.

29. Invited member of a panel, "Work/Life Balance," Twelfth Annual Ph.D. Project Information Systems Doctoral Students Association Conference, Keystone, CO, August 9, 2007.

30. Guest panelist, "Panel Session on IS 2002.1 – Fundamentals of Information Systems." Ninth Annual Americans Conference on Information Systems, Tampa, FL, August 5, 2003. Panel organized and chaired by Wm. David Salisbury, University of Dayton.

31. Discussant of "Online Information Privacy: Measuring the Cost-Benefit Trade-Off," by I.H. Hann, K.L. Hui, T.S. Lee, and I. P. L. Png, at the Twenty-Third International Conference on Information Systems, Barcelona, Spain, December 16, 2002.

32. Panel Chair & Organizer, "Researching Privacy: From Computerized Workplaces to the Marketspace." 17th International Conference on Information Systems, Cleveland, OH, Dec. 17, 1996.

33. Member of panel, chaired by A. Aggarwal, "Issues Related to Organizational Decision Support Systems (ODSS)." Sixth Information Resources Management Association International Conference, Atlanta, May 23, 1995.

34. Member of panel, chaired by D. Baldwin, "Systems Development: Vital MIS Research Method or Medicine Show?" Fourteenth International Conference on Information Systems, Orlando, Florida, December 7, 1993.

35. Member of panel, chaired by G. Widmeyer, "Transfer of Decision Support Technology to and from Public Policy Organizations." Eleventh International Conference on Decision Support Systems, Manhattan Beach, CA, June 4, 1991.

36. Member of panel; chaired by M. Shakun, "Group Decision and Negotiation Support Systems." 2nd International Conference on Economics & Artificial Intelligence, Paris, France, July 4, 1990.

37. Member of panel, chaired by S. Zionts, "Negotiation and Group Decision Support Systems: Where Do We Go from Here?" 29th TIMS/ORSA Joint National Meeting, Las Vegas, Nevada, May 8, 1990.

38. Panel Chair, "International DSSs: The Case of GDSS in Pacific Rim Nations." Eighth International Conference on Decision Support Systems, Boston, June 7, 1988.
