

Business Career Services

Career Exploration

As an Ivy College of Business student, you have resources available to help you explore majors and careers.

Appointment with your Career Coordinator

[Schedule an appointment](#) to discuss how your interests, motivations, skills, and values align with majors and careers in business. As part of this appointment, you may be encouraged to take and reflect upon the **CareerLeader** assessment.

BUSAD 105X: Exploration of Majors & Careers in Business

One-credit course providing in-depth information regarding majors and careers in business.

Career Conversation

Meet with your Career Coordinator to discuss specific job titles/career areas within an industry you would like to learn more about. Your Career Coordinator can refer you to an alumnus or employer who works in that type of role for a career conversation.

CandidCareer

[Video library](#) providing honest career information and planning help.

Occupational Outlook Handbook

The government's [premier source](#) of career guidance featuring hundreds of occupations.

Explore by Doing

- Get involved on campus
- Job shadow
- Attend events
- Connect with a mentor
- Obtain internship experience

Business Career Services respects the importance of your decision making process and is here to support you. You may also find support through **Student Counseling Services**. 'Career Counseling' is a component of services the office provides. The counselor will listen to you and ask questions to help determine:
(1) the goals you want to achieve related to your major and career
(2) a concrete plan for achieving those goals
